

Customer Portal

What is INFONET Customer portal and what things we do?

We created customer portal to our customer purpose on both CRM and Radius Server,

They can do login with their credentials to pay their bills and download invoices from our CRM,

Moreover they can view their consumed bandwidth and remain bandwidth of their purchased internet plans from our Radius Server portal Login

INFONET CRM's Customer portal Login

INFONET Radius Server's Customer Portal Login

Login URL: <https://net.infonetsmart.com>

The screenshot shows the INFONET Customer Portal Login page. At the top, the INFONET logo is displayed with the tagline "A Dataful Life". Below the logo, there are two tabs: "Login" (which is underlined) and "OTP Login". The main heading is "Customer Portal Login", followed by the instruction "Please enter your username and password to log in." There are two input fields: "Username" with a person icon and "Password" with a lock icon. A "Forgot password" link is located to the right of the password field. Below the input fields, there is a checkbox for "I agree to the [Terms and Conditions](#) & [Privacy Policies](#)". At the bottom, there are two buttons: a grey button labeled "GO TO INTERNET" with a left arrow and a red button labeled "LOGIN" with a right arrow.
