

How to Change Password in InfonetSmart mail

Alert! This article is written for Infonet users. As of November 2023, Security policies updated, for that every user must change the password.

How to Change Your Password

You should open the change password window and insert your new password as follows

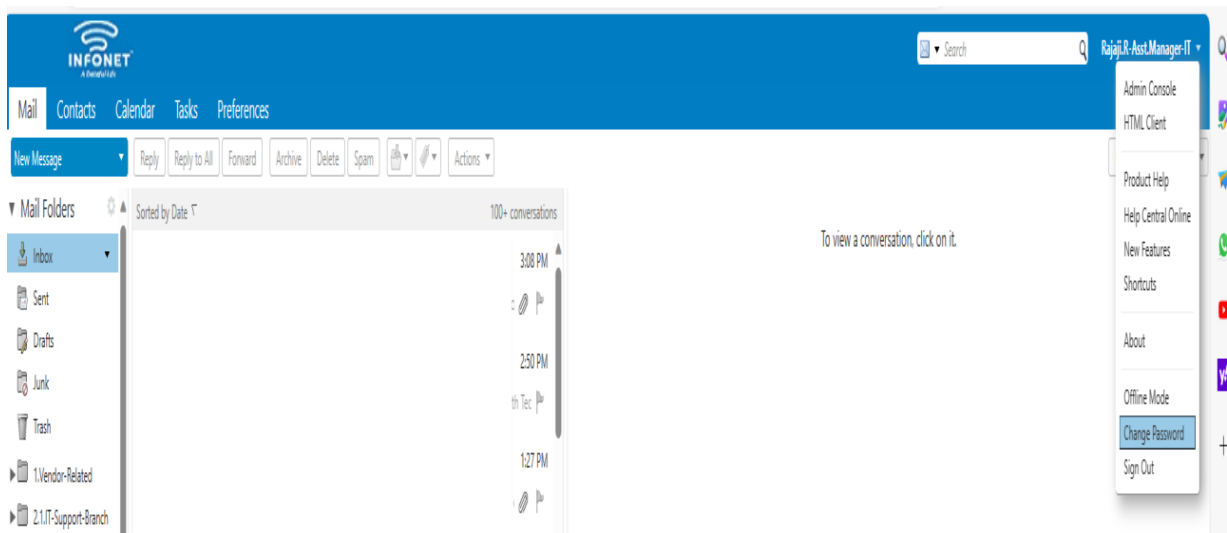

- Log into Zimbra Web Client on browser (<https://mail.infonetsmart.com>)

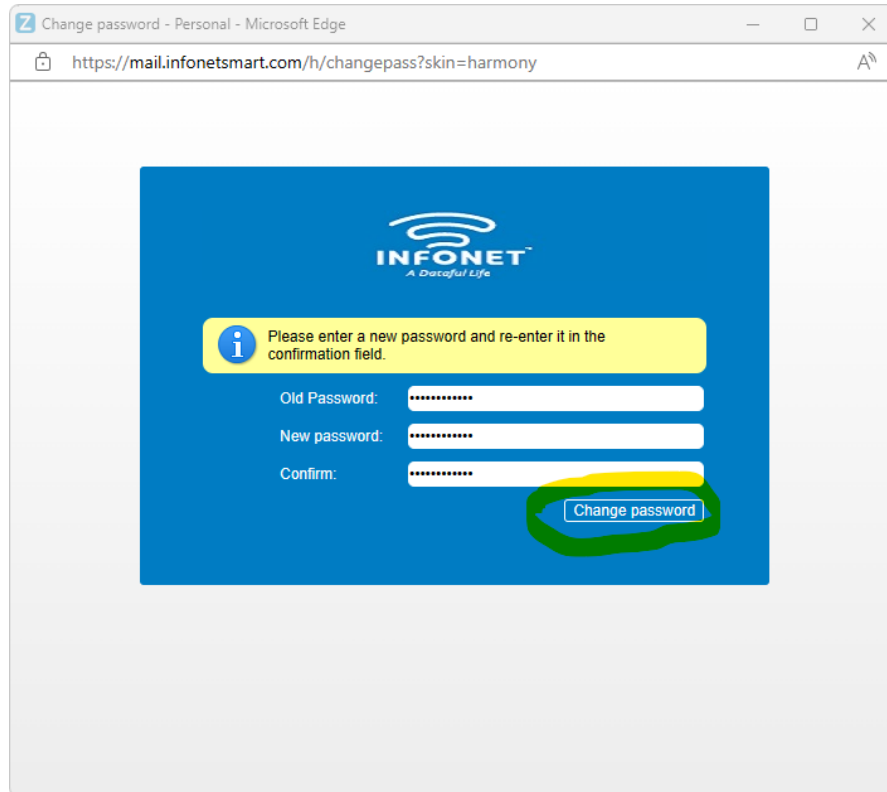

- Click the **downward triangle** on the **upper-right corner** like follows,

- Click the **change password** menu,

- Enter your **New password** and **confirm password** (Must have 1 upper case, 1 lower case, 1 special character, 1 number & minimum 8 digits of your password length)
- press **change password** button and close this opened window

Change password - Personal - Microsoft Edge
